Iron Horse District is 57 Units Strong!
And growing... We have increased our size by over 300 youth, and we're looking for support. How can you help? Become a unit commissioner, mentor new leaders, represent Scouting at school open houses and PTO meetings. Get to know the principals and APs

in the schools and find out how Scouts can perform service there.

ORDER OF THE ARROW (OA)

TROOP OA ELECTIONS - must be completed by December 15 - see Shep Barnum for details.

Chapter Meetings - These meetings are held for the benefit of the youth OA members.

Meetings typically will briefly cover upcoming OA events and have a special guest or activity

targeted towards making the meeting fun and interesting. Adult OA members are asked to check-in with the advisers so we can let you know what's coming up. Iron Horse Chapter meetings are held the second Thursday of every month 7:30pm to 9:00pm at the LDS Church on Hafer Road, just about a mile south of FM 1960. Same time and place as Round Table ... Leaders, please car pool with OA members from your unit.

TRAINING - Remember - all of our youth deserve to have trained leaders. If you missed the training opportunities in September and would like to have training at the unit level, please contact Steve Rollings for details.

The 1st Annual Iron Horse District

Dinner The date is January 30, 2010. The list of awards and nomination forms are now posted on the website.
