Iron Horse District is 57 Units Strong!

And growing... Fall recruiting is happening RIGHT NOW! We are expecting to increase in size by almost 300 youth. And we're looking for support. How can you help? Assist with a rally, become a unit commissioner, mentor new leaders, do Boy Talks, represent Scouting at school open houses and PTO meetings. Get to know the principals and APs in the schools, and find out how Scouts can perform service there.

TROOP OA ELECTIONS - must be completed by December 15 - see Shep Barnum for details.

ORDER OF THE ARROW (OA)

Chapter Meetings - These meetings are held for the benefit of the youth OA

members. Meetings typically will briefly cover upcoming OA events and have a special guest or activity targeted towards making the meeting fun and interesting. Adult OA members are asked to check-in with the advisers so we can let you know what's coming up. Iron Horse Chapter meetings are held the second Thursday of every month 7:30pm to 9:00pm at the LDS Church on Hafer Road, just about a mile south of FM 1960. Same time and place as Roundtable... Leaders please car pool with OA members from your unit.

TRAINING - We had a great turnout for training in September. If you missed it and would like to have training at the unit level, please contact Steve Rollings for details.

The first annual Iron Horse District Dinner will be here before you know it!

The date is January 30, 2010. Be watching for a list of awards and award nomination forms.
