Iron Horse Website

Go check it out - www.ironhorsesnac.org - it's looking good!

Iron Horse District is 57 Units Strong!

And growing... Fall recruiting is happening RIGHT NOW! We are expecting to increase in size by almost 300 youth. And we're looking for support. How can you help? Assist with a rally, become a unit commissioner, mentor new leaders, do Boy Talks, represent Scouting at school open houses and PTO meetings. Get to know the principals and APs in the schools, and find out how Scouts can perform service there.

TROOP OA ELECTIONS coming soon - see Shep Barnum for details.

ORDER OF THE ARROW
(OA)

Chapter Meetings - These meetings are held for the benefit of the youth OA

members. Meetings typically will briefly cover upcoming OA events and have a special guest or activity targeted towards making the meeting fun and interesting. Adult OA members are asked to check-in with the advisers so we can let you know what's coming up. Iron Horse Chapter meetings are held the second Thursday of every month 7:30pm to 9:00pm at the LDS Church on Hafer Road, just about a mile south of FM 1960. Same time and place as Roundtable... Leaders please car pool with OA members from your unit.

TRAINING - There is still time to register for the outdoor training weekend, Sept 18 & 19 at Camp Strake. OWL, IOLS and Baloo are being offered. For more information see Steve Rollings.

Leader Specific Training will be Sept 26 at Spring Woods UMC. All you new Cub Leaders - get on board! Every Scout deserves a trained leader...

The first annual Iron Horse District Dinner will be here before you know it!

The date is January 31, 2010. Be watching for a list of awards and award nomination forms.
